<p>We expect the children of our school to be faithful in their Church and Sunday School attendance. If the children have no church of their own we invite them, as well as their parents, to join us in the worship of the Lord and to share with us regularly the blessings of the Gospel. Each teacher keeps a record of every child's Church and Sunday School attendance. This goes on the report card to remind parents of their child's worship record. Lack of regular worship (50% or less per school quarter) will be discussed with the family to improve worship habits. Consistently poor church attendance could lead to dismissal, or an increased tuition to non-member rate.</p> <p>I understand that Worship/Sunday School is recorded: <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If no, please explain: _____</p>
