2019-20 Parent/Student Handbook for K-8

40th Academic Year

Theme: "In His Name"

Matthew 18:20 (ESV)

STATEMENT OF BELIEF

Lutheran School started in 1979 and together with our church is part of The Lutheran Church-Missouri Synod (LCMS or Synod). The LCMS is a mission-oriented and Bible-based denomination that confesses the historic,

orthodox Christian faith in the Triune God, Father, Son, and Holy Spirit, a faith built on "the foundation of the apostles and prophets, Christ Jesus himself being the cornerstone (Eph. 2:20). With the universal Christian Church, The Lutheran Church-Missouri Synod teaches and responds to the love of the Triune God, who created all that exists; became man to suffer, die, and rise again for the world's redemption; and brings people to faith and new life through His Word and Sacraments. The three persons of the Trinity - Father, Son, and Holy Spirit - are coequal and coeternal, one God. LCMS congregations voluntarily choose to belong to the Synod, and, although diverse in many ways, all hold to a shared confession of Jesus Christ as taught in Holy Scripture. We believe without reservation that the Scriptures of the Old and the New Testament are the written Word of God and the only rule and norm of faith and of practice. In addition, the Synod accepts without reservation the writings contained in the Book of Concord: The Confessions of the Evangelical Lutheran Church.

Believing in the authority of Holy Scripture and that the Lutheran Confessions are a correct interpretation and presentation of biblical doctrine, our congregations agree to conform all their teaching and practice to the Scriptures and the Confessions.

The Synod "is not an ecclesiastical government, exercising legislative or coercive powers" (LCMS Constitution, Article VII) concerning its member congregations and ministers. However, the voluntary association of member congregations and ministers includes their agreement to respect and honor and uphold (Bylaw 1.7.2,1.8.1) decisions (resolutions) made by the Synod in its national conventions regarding the understanding of the teachings of Scripture and the Lutheran Confessions and practices that are consistent with such teaching. The Synod in convention is the "principle legislative assembly" of the LCMS (Bylaw 3.1.1) and its resolutions and statements are the position of the Synod in matters of doctrine and life. The Constitution and Bylaws of the LCMS provide specific guidance for the implementation and supervision of the teaching and practice of its members (congregations and rostered church workers).

Congregations of the LCMS, while upholding teachings and practices that are consistent with Scripture and the Lutheran Confessions and while honoring Synod convention resolutions, are self-governed and establish policies based on local circumstance and expediency. An LCMS congregation or ministry operates according to its own constitution and bylaws - which are required by the Synod Bylaws to be reviewed by the District through which the congregation holds membership in the Synod - and therein establishes an orderly way of making decisions and determines which individuals or entities in the congregation (e.g., the pastor, church council, board of elders) will have authority to act on behalf of the congregation in specific circumstances. The Constitution and bylaws of Lutheran Church and School of Messiah govern our decision-making and policies. A copy is available upon request.

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God (Gen.1:26-27). Rejection of one's biological sex is a rejection of the image of God within that person.

We believe that the term marriage has only one meaning: the uniting of one man and one woman in a

single, exclusive union, as delineated in Scripture (Gen.2:18-25). We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other (1 Cot. 6:18; 7:2-5; Heb. 13:4). We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God (Matt. 15:18-20; 1 Cor. 6:9-10).

We believe that in order to preserve the function and integrity of Lutheran Church and School of Messiah as the local Body of Christ, and to provide a biblical role model to the Lutheran Church and School of Messiah members and the community, it is imperative that all persons employed by Lutheran Church and School of Messiah in any capacity, or who serve as volunteers, agree to and abide by this Statement on Marriage, Gender, and Sexuality (Matt. 5:16; Phil. 2:14-16; 1Thess. 5:22).

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ (Acts 3:19-21; Rom. 10:9-10; 1 Cor. 6:9-11).

We believe that every person must be afforded compassion, love, kindness, respect, and dignity (Mark 12:28-31; Luke 6:31). **Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of the LCMS.**

We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are therefore called to defend, protect, and value all human life (Ps. 139).

EDUCATIONAL PHILOSOPHY AND PURPOSE OF MESSIAH LUTHERAN SCHOOL:

Committing Children to Christ

Messiah Lutheran School has been organized to address the total needs of the student. We believe in the Triune God: Father, Son, and Holy Spirit; and that the Bible is the inerrant word of God. We teach it to students in terms they can understand. As Christ is the center of Church and School, so He is the center of our educational philosophy and directs all teaching and learning experiences.

We strive to develop each student's individual abilities, to educate good citizenship, to provide and maintain the highest academic standards, to improve human relationships, and to minister to individual and family needs as best we can. We provide a thorough instruction in God's word, so that the children may learn God's will and know and trust Him as their living, loving Savior. ***"Bring up your children in the nurture and admonition of the Lord." Ephesians 6:4***

From the desk of Principal Steve Hobus

Dear partners with us in Christ,

Our theme verse for the upcoming year is Mathew 18 :20, *For where two or three are gathered in my name, there am I among them!* In these verses God assures us that He is with us as we call upon Him in prayer. What a comfort to know that we can cry out ... “In His name” as we share our combined concerns to the Lord. As many of you who are married may share those moments of prayer with your spouse, know that the Lord hears our prayers and petitions. I think of how amazing a creator we have and of His omnipresence, being with millions and millions of people at the same time as they make their requests known to our mighty God.

This fall we will finish our accreditation process that was started last year. In October, we will have the site visit by the accreditation team. We have asked many of you, as stakeholders and church members to participate in the self-study of our church and school. You have helped us by sharing your valuable input. We have identified items that we know we excel at, but also learned of areas that we need to focus on to improve our school. We ask for your continued prayers as we finish this process, that God would lead us to receive our NLSA accreditation

A pastor I loved and respected, Pastor Bill Bartlett would always speak about the “paideia” in the teaching of all our students. He loved using Greek words to illustrate a point and I appreciated this one very much as it speaks to the training and education of our children. It is where we get the word “encyclopedia”, and while we are interested in our students becoming knowledgeable, we are of course interested in growing them as a whole person. Most importantly in their education is the knowledge that the Lord loves them, that He died for their sins and encourages all of his disciples to serve others with love and caring. This is one reason I know we are truly blessed to have such an amazing staff.

As our school year begins, we will pray together with all the saints, to call on God in His name wherever two or three of us are gathered together, we know that Jesus will be there with us as well. As our country and the world seeks to try and find the peace and love around them, we know that we have the Almighty Lord ready and willing to hear all of our concerns and prayers. What a comfort to know that the Lord is always with us.

God bless you and our school year!

CURRICULUM AND INSTRUCTION

CURRICULUM

Students enrolled in K-8 attend school for a full day. We teach a traditional education including math facts memorized, cursive, and character values of hard work, honesty, and responsibility stemming from a Christian foundation. The basic instruction program of students enrolled in kindergarten through eight includes the following core courses:

Bible Stories	Singapore Math with Algebra / Geometry in 7 th /8 th
Memorization	Social Studies
Catechism (Lutheran Theology) 5-8	
World View 7-8	Science
Reading (Basal readers and novels)	Health
Spelling	Computer Class
Grammar	Music (choir/instrumental)
Penmanship (Cursive)	Art
Foreign Language	Physical Education

Each instructional program is carefully planned for the optimal benefit of our students, taking into consideration the budget of the school and other factors deemed relevant by the board or the principal. Each instructional program's plan should describe the program, its goals, the effective materials, the activities and the method for student evaluation. It is the responsibility of the principal to develop administrative regulations stating the required courses and optional courses for kindergarten through grade eight.

HOMEWORK

Oral reading at home is helpful for students in all grades, but especially for grades kindergarten to third. Children will grow to love reading when parents model it and read with them. Fifteen minutes or more of nightly reading time together is a great habit to get into for the whole family. Along with reading time, memory work, math facts, and spelling are typically assigned as homework. Additionally, states and capitals are assigned to learn in third and fourth grade.

Children should know what to do and how to complete their own homework. Occasional questions may be asked, and parents may help answer these. We ask that parents observe the difference between "assisting children" to understand methods and actually "doing the work" for them by providing answers.

HOMEWORK DETENTION POLICY

When a student fails to work on in-class assignments or to complete assigned homework for a third time during a week, the student will be required to serve after-school detention. A note will be sent home to notify parents of the reason and the date the detention is to be served.

PHYSICAL EDUCATION

Students in grades kindergarten through eight are required to participate in physical education courses unless a doctor or parent excuses them. We participate yearly in the Presidential and National Physical Fitness Awards.

Students who cannot participate in physical education must have a written request or statement from their parents and doctor.

GRADING

The school year is divided into four quarters. Report cards are sent home within two weeks of the end of each quarter. Grades for 1-8 are posted throughout the year on our online grading program "Teacherease" which can be seen by parents and students at any time in the school year. We hold Parent-Teacher conferences at the conclusion of first quarter. We encourage parents to contact the teacher at any time with questions and concerns or just to check in. The grading scale for Messiah is as follows:

O = Outstanding	A+ = 100%
S+ = Good	A = 93-99%
S = Satisfactory	B = 83-92%
S- = Not Satisfactory	C = 73-82%
N = Needs Improvement	D = 63-72%
	F = 62% and below

ITBS (Iowa Test of Basic Skills)

Each spring grades K – 8th take the ITBS national standardized achievement tests. The results of these tests are used as guidance for the individual child and for school curriculum planning and evaluation. Records of the test scores are kept on file for each student throughout their attendance at Messiah. Parents can request copies of their child's scores through the office.

STUDENTS AT RISK

The BOPE recognizes some students require special assistance in order to reach their full educational and social potential.

It is the responsibility of the principal/teacher/parent/resource team to develop a comprehensive program to identify potentially at-risk students, provide for needed assistance, monitor, and evaluate the help given these students. The BOPE also recognizes some students require assistance that Messiah Lutheran cannot provide. Should this occur, the board will recommend placement in a public school where more resources may be available.

Student-At-Risk Identification

Teacher referral is based upon:

- A. Poor class work
- B. Low standardized test scores
- C. Inappropriate behavior in school
- D. Parental concerns
- E. Referral from principal/pastor

Follow - up

1. Conferences are held with parents, the principal, and the classroom teacher.
2. The principal and the teacher meet monthly to monitor/assess progress.
3. The teacher will implement strategies/learning plan developed by the principal.
4. Children with severe learning disabilities or special education needs will be referred to the local public school for resource services if the help needed cannot be provided through our program.

GRIEVANCE PROCEDURES – STUDENT OR PARENT

I. Purpose

The following procedures outline specific steps, which are followed, by students or parents of Messiah Lutheran School in order to insure prompt and equitable resolution of grievances. Students or parents who believe they have been treated unfairly or subjected to any form of abuse or sexual harassment may initiate the formal grievance procedures outlined below.

As in all matters of faith and life, Holy Scripture guides us. The procedures outlined below attempt to follow the guide of Matthew 18 in dealing with problems. How we deal with problems communicates one aspect of our Christian philosophy to the community. We are motivated by the love of Christ to approach all concerns as loving and caring brothers and sisters in the Lord.

II. Staff, Student and Parent Responsibilities Regarding a Grievance

A. Solve at Lowest Level. All problems will be solved at the lowest level whenever possible. It is the responsibility of student or parent who believes that he/she have been treated unfairly to initiate the grievance procedures.

B. Staff Responsibility. It is the responsibility of all staff to hear promptly and courteously all grievances registered in good faith by a student or parent within their class, to try to clarify misunderstandings, and to make reasonable adjustments of any complaints that arise in day-to-day situations.

III. Procedures to Be Followed in Resolution of a Formal Grievance

Step A - Formal Discussion Students or Parents will discuss their grievances first with the staff member involved. If a grievance is not settled, or if the student or parent is not satisfied with the results, the student or parent may elect to proceed with step B.

Step B - Principal

1. The student or parent shall present the grievance in writing or in person to the school principal. The principal will arrange a meeting with both parties involved.
2. If the grievance is not settled, or if the student or parent is not satisfied with the results, the student or parent may elect to proceed with step C of the grievance procedures.

Step C - Written Presentation

1. The student or parent shall present the grievance in writing to the chair of the school board. The written grievance must contain sufficient detail to identify and clarify the basis for the grievance. The written grievance should contain the following:
 - a. The specific action or incident upon which the grievance is based, the date the action or incident occurred.
 - b. The reason upon which the student or parent bases the belief that the action was unfair or unjust, and the specific policy or written agreement that was violated (if applicable).
 - c. Corrective action sought by the student or parent.
 - d. A brief summary of the students or parents attempts to date to resolve the problem, and the results of such actions.
2. Upon receipt of a written grievance, the chair of the school board will take the following actions:
 - a. Establish and maintain a grievance file which will be the official record of all action taken during the grievance procedure.
 - i. The grievance file will contain the original written grievance, any written revisions, all written replies, and a dated summary of all official action regarding the grievance and resolution.
 - ii. The student or parent will have access to the grievance file and will receive a written copy upon request.
 - b. Consult with the staff member and the principal to gather all relevant information regarding the nature, circumstances, desired corrective action, and previous action taken regarding the grievance.
 - c. Study all relevant policies, and other written agreements.
 - d. Reach an equitable decision regarding resolution of the grievance, discuss such resolutions with the board members, and provide a written summary of the decision for the student or parent and the grievance file.

SCHOOL POLICIES AND PROCEDURES

IMPORTANCE OF SCHOOL ATTENDANCE

It's not surprising that your child's daily, on-time attendance correlates directly with success in academic work and improves social interaction with adults and peers. Regular attendance also has a cumulative effect of establishing life-long positive traits – responsibility, determination, respect for authority and peers - - that are critical for developing career readiness, success in college and in life. While some challenges to your child's school attendance is unavoidable, it's important to understand the impact of each absence. **A student is considered chronically absent if they miss only two days of school per month** (18 days in a year), whether absences are excused or unexcused. A student who misses an

average of 18 days a year from kindergarten through twelfth grade will miss 234 days of school, that's a full year of school plus 3 months!

Attendance – what parents should know

Parents can team up with teachers to make sure students are in school and ready to learn.

How parents can help:

- + Schedule medical and dental appointments outside of school hours.
- + Schedule vacations during school breaks.
- + Make a habit to contact your child's teacher to arrange to pick up missed school work, either the same day your child is absent or as soon after as possible.
- + Keep the teacher informed of upcoming absences, illness, family emergencies, and the like. Texts to teachers, written notes, and phone calls to office are all appreciated to keep communication going between school and home.

ATTENDANCE POLICY

The Board of Parochial Education in partnership with teachers and parents have established an attendance policy that encourages school attendance and helps recognize its importance to lifelong success.

When a student misses 10 and 15 days of school, excused or unexcused, a letter will be sent home from the Board.

A child that misses 20 days of school is at great risk of not understanding concepts needed to be successful academically. Therefore, at 20 absences, parents are requested to visit with the Principal, the child's teacher and the chairman of the Board of Education to explain the absences and make a plan for future attendance.

Children who miss more than 22 days of school during the year (excused and unexcused combined) may be retained. This is the equivalent of missing an entire month of school. The teacher and the principal will evaluate the child's progress and make a final determination. The absences alone are sufficient cause for retention.

When students must miss school, one parent / guardian is to call the school office or text the teacher to notify them by 8:30 a.m. If no call or text is made, we will contact you.

When medical and dental appointments cannot be avoided during school hours and are known in advance, a note or text should be sent to the teacher. Students will need to be signed out in the office before you leave (and signed back in if returned that day).

Children who miss an extended amount of time for an illness should be under a physician's care. Before a child returns to the classroom after 5 or more consecutive school days of absence, the physician should certify that the child is able to return. This certification is to be given to the school secretary or principal.

Both excused and unexcused absences will be recorded on the report card. Having an excused absence does not allow a student to receive an "Outstanding Attendance" award.

Work missed is due the number of days equivalent to the time lost (for example: 2 days out --- work due 2 days after return).

Students who are absent on the day of an after-school activity may not participate in that activity. This includes dances, sports (practice or games), or any club meetings.

TARDY POLICY

When students are tardy to school, it affects the classroom environment adversely and is not conducive to learning. Tardies are neither excused nor unexcused. Children are marked tardy if they are not in the room for the start of school (8:00 am). Any tardy disqualifies a student from outstanding attendance recognition.

At 3 tardies in a quarter the Board of Parochial Education will send out a note to parents as a reminder that punctuality is important.

STUDENT DISCIPLINE/DUE PROCESS

We believe an integral component of discipline is the Gospel of Jesus Christ. The Law accuses, pointing out our sinfulness. The Gospel forgives. Within the philosophy of Christian education, a child needs to experience the forgiveness of his/her teacher and be reassured of Christ's forgiveness. Student conduct and attitude at Messiah Lutheran is expected to be of the highest Christian quality both in school and when involved in co-curricular and extracurricular activities. Students are expected to conduct themselves in a manner consistent with the school's philosophy and goals and serve as ambassadors for the school.

The law states that a fundamental goal is the educational development of all persons to the limit of their capabilities. However, when citizens act irresponsibly, violate the rights of others, or present an actual or threatened danger to persons or property, they are subject to the loss of some of their rights.

Such is the case with the right to an education. When a student commits an act of gross disobedience or misconduct defined by the School Board, the student's right to an education may be temporarily withheld.

Except for cases of serious misconduct, the following sequence is used to correct problems:

- A. Classroom Consequences:** Teachers utilize their own system of progressive discipline. Once the student has exhausted the teacher's disciplinary methods, the teacher may refer the student to the principal/Pastor. Adjunct teachers report to classroom teachers and they deal with parents.
- B. Referral to the Principal/Pastor:** While parent conferences may be requested at any time, they are required if a student receives three (3) referrals in one semester. Principal/Pastor will contact parent of any referrals to his office.
- C. Behavioral Probation:** Once a student is placed on behavior probation, they remain on it for a term of 4 weeks, provided they have no more incidents. The purpose of this is to provide students on behavioral probation additional support and structure so they may improve their behavior and continue with their education here at Messiah.

Students on behavioral probation will receive the following support:

- Weekly progress reports
- Additional supports that are identified as beneficial during the probationary advisory

Parents should expect the following support mechanisms from Messiah:

- A required meeting to outline probationary status
- Weekly written progress report
- A letter indicating whether probation will be lifted, continued, or if child is expelled at the end of the month's probation period

Students on behavioral probation will be excluded from extra-curricular activities and non-essential field trips. Participation in extra-curricular activities will be restored upon successful completion of four weekly progress reports.

D. In-School Suspension: In-school suspension is the temporary isolation of a student from one or more classes while under appropriate supervision. Generally, suspensions last 1-5 days. All school work must be completed. Before issuing this suspension, the principal will meet with the teacher and the student. All incidents will be documented and presented to the student and the parent.

E. Out-of-School Suspension: Out-of-school suspension is the removal from the school environment for periods of short duration. The principal, for gross or repeated infractions of school rules, regulations, policy or the law, will impose this suspension. All incidents will be documented and presented to the student and the parent. All school work must be completed. In the event of serious infraction, the student will remain suspended pending a meeting with the Board of Parochial Education to determine whether or not the child will be expelled. This meeting will be held at such time as Board members are reasonably able to assemble. The decision of the Board of Parochial Education is final.

The offenses resulting in any type of suspension will be determined by the principal, but are not limited to: repetitive or flagrant disobedience, misbehavior or misconduct; excessive disruption of classroom procedures; use of obscene or vulgar language (written, verbal, or gestured); cheating; disrespect toward staff; intimidation; stealing; physical harm to others; verbal or sexual harassment; or activating a false alarm.

Following any suspension, before returning to class, the child and parent will meet with the principal and teacher. Students returning from suspension are on probation for the remainder of the quarter.

F. Expulsion: Expulsion is the removal of a student from the school environment, which includes, but is not limited to, classes and activities. Only the Board may remove a student from the school environment in this manner. Students may be expelled for violations of board policy, school rules, or the law.

When a student is recommended for expulsion by the board, the student and parents are provided with:

1. Notice of the reasons for the expulsion;
2. An oral or written report on the facts;
3. An opportunity to meet with the Board, principal, and teacher.

Immediate suspension and/or expulsion and reporting to the local authorities can occur under the following circumstances: Students have a weapon at school or threaten to bring a weapon to school. This includes but is not limited to a gun or knife (or something that looks like one), pocket multi-tool (such as a Swiss Army Knife), or incendiaries or explosives (including matches, lighters, cap pistols).

Students are NOT to be using alcohol, drugs, or any form of tobacco. Clearly, they are NOT to have them at school, either. The sale and/or possession of any illegal substance, the use and/or transfer of any illegal substance, and/or being in the presence of others using or transferring illegal substances, drugs and/or alcoholic beverages are not tolerated. (This includes, but is not limited to marijuana, alcohol, tobacco, prescription drugs, cocaine, heroin, crystal meth, and other substance.)

DRESS CODE

Board of Education adopted the following policy regarding Dress Code:

QUESTIONS/CONCERNS: Please contact your student's teacher, principal, or school office.

CLASSROOM VISITORS

1. Classroom visitors are defined as (a) parents wanting to observe their child/children's behavior; (b) parents wanting to observe the interaction between teacher and student; and (c) parents wishing to help a teacher with classroom needs.

2. Classroom visitors are welcome in any grade. Prior to the visit, please make arrangements with the teacher on day and time.

3. Visitors must obtain a temporary "Visitor" badge and sign in at the office before entering the general campus.

4. Classroom visitations may last for half a day, not a whole day.

This policy does not apply to families considering enrollment at Messiah Lutheran. The principal arranges the visitation of prospective students and parents.

STUDENT EARLY RELEASE AND CHECK-OUT PROCEDURE

If a parent or guardian wishes to take a child from school prior to the end of the school day, the following procedure must be followed:

1. The parent/guardian or other adult listed on the child's emergency card is to report to the school office and sign, date, and record time of release form.
2. The secretary will contact the teacher for the release of the student. The parent/guardian will wait in the school office for their child/children. The teacher will dismiss the child at that time.
3. If someone other than the parent/guardian is picking up the child, the parent/guardian must notify the school office by telephone of the name of the person picking up the child. This person must be listed on the child's emergency form and will then be asked to show a driver's license or some other picture ID to the secretary before a release authorization will be issued. These procedures has been implemented to protect the child. While teachers are acquainted with parents, they may not recognize older siblings, relatives, and friends of the family.

USE OF SEAT BELTS, CAR SEATS, AND EXPECTATIONS OF DRIVERS

When using privately owned vehicles for school or school-related activities, all persons (including the driver) must wear seat belts at all times.

No child in pre-kindergarten through the second grade shall ride in a seat equipped with an air bag. All children under the age of 8 **MUST** be in a car seat.

The safety of students is of greatest concern. Drivers who fail to require seat belt use or car seat for children under 8 will not be allowed to drive for future activities. Drivers who fail to require seat belt or car seat use put the school and themselves at a greater risk of liability should an accident occur.

Drivers are to be parents and/or grandparents, insured, have a valid driver's license, stay with the group, obey traffic laws (including the speed limit), be over 21 and have submitted to a background check.

The use of alcohol by anyone (driver or chaperone) on a school or school-related activity is strictly prohibited.

Volunteer Driver Application – All volunteer drivers must complete the "Volunteer Driver Application Process," and have a background check completed. The principal will request this check through the appropriate agency. This can be done at the time of Registration for school, or at any time during the year. All forms are available in the School Office but must be completed AND approved prior to assisting with transportation for the school.

Please Note:

We cannot accept volunteer offers from drivers with any of the following:

- Two at-fault (or partially at-fault) accidents or more in the past five (5) years
- Three minor convictions (moving violations) or more in the past five (5) years
- Any major or criminal code convictions in the past ten (10) years
- One at-fault (or partially at-fault) accident in the past five (5) years combined with two minor convictions (moving violations) in the past three (3) years

Definition: *Conviction* - Any moving violations that a court doesn't dismiss or overturn.

Please bring a copy of Operator's License and Proof of insurance (with liability limits) to accompany your application. If applicant's name does not appear on the "Proof of Insurance" document, a copy

of the **Insurance Policy** must be provided. If the volunteer's name does not appear on the list of approved drivers on the policy, the volunteer cannot drive for the school. Having the Insurance Policy also allows for confirmation on liability limits. A Checklist will be provided along with the Application Form which will be helpful to you in providing all necessary information.

ELECTRONIC DEVICES AT SCHOOL

Messiah is not liable for lost or stolen electronic devices such as, but not limited to, iPods, iPads, Cell Phones, Cameras, Recording Devices. These are expensive and breakable and should be left at home. Cell phones and all other devices that parents deem important for their children to keep with them, need to be turned into the teacher in the morning and collected at dismissal.

Students may not record classroom activity, teachers, or students without permission. Privacy should be respected at all times.

EXTRA CURRICULAR ACTIVITIES

We offer a variety of extra curricular sports, including volleyball, boys and girls basketball, and track and field. There is an Athletic Fee of \$45.00 per sport, which will be refunded if your child is not selected for the team.

Sports Both volleyball and basketball hold after-school practices for approximately 12 weeks of the year. Our teams compete interscholastically in the Association of Christian Schools of Western Colorado (ACSWC). Some of our student athletes also participate in local community leagues during the year to improve their skills. We occasionally participate in the Lutheran Schools Invitational Volleyball. Each year we host the Messiah Invitational Track Meet for all of our students in late spring. Normally, all of the ACSWC schools and a number of other western slope private schools participate.

Eligibility 5th through 8th graders who participate in athletics must continue to meet all eligibility requirements: a) student-athletes must demonstrate regular attendance in school and at athletic practices and games; If a student/athlete is not at school on a game day due to an illness or an unexcused absence, that child is not permitted to play in that day's game(s). This applies to practices as well. b) student-athletes must conduct themselves as positive role models. c) Student-athletes must continually maintain acceptable academic performance (must have a weekly (cum) GPA of 2.0; NO F's and no more than one D). Failure to maintain all the standards of eligibility will be grounds for possible suspension or dismissal from the team. If at any time a parent or teacher feels a student's academic work is suffering because of sports, the athlete will be asked to make significant progress before resuming practice or participation in games. ***A parental permission slip will be sent home at the beginning of each sport season and is required for participation.***

SAFETY PROCEDURES

STUDENT INJURY OR ILLNESS AT SCHOOL

When a student becomes, ill or is injured at school, the teacher or another school employee will notify the student's parents as soon as possible after these individuals are aware of the incident.

Parents will be contacted immediately to pick up the child if they have a temperature of 99.6, diarrhea, vomiting, severe cough, red and draining eyes, infected-looking mucus draining from the nose, labored breathing, infected areas of skin (rashes), severe itching of body and scalp, fainting and seizures, or unusual behavior (listlessness, loss of appetite, excessive crying, obvious general discomfort). **So not to infect the classroom with sickness, children need to stay home for 24 hours AFTER fever, diarrhea, and/or vomiting is gone and medication for such has not been in use for 24 hours. It doesn't matter why they threw-up.**

The school, while not responsible for medical treatment of an ill or injured student, will have authorized school personnel present administer emergency and/or minor first aid if possible. An ill or injured student will be turned over to the care of the parent, the parent's designee, or qualified medical personnel as quickly as possible.

Parents are required to complete a medical emergency authorization form indicating the procedure to be followed, if possible, in an emergency involving their child. It shall be the responsibility of the parent to provide the school with updated information on the medical authorization form.

It is the responsibility of the classroom teacher/playground supervisor to fill out an accident report within a 48-hour period with the office when necessary.

FIRST AID AND MEDICATION

For minor cuts and bruises, first aid will be provided by the teacher or staff member. All parents will provide the school with an emergency telephone number where they or someone responsible can be reached should the need arise. If we are unable to reach you or the designated person, the child will be taken to the emergency room of your designated hospital if necessary. The parent is responsible for all emergency room and medical expenses.

No medication is given to your child on school grounds without prior parental approval in writing. Medication that needs to be given three times a day should be given at home, i.e. before school, after school and in the evening.

Should your child require special medication during school hours, a parent or responsible adult must give it to the teacher or office staff in its original bottle along with written instructions for its proper use. Forms are available in the office for such ongoing medication.

FIRE/TORNADO/EMERGENCY EVACUATION

Emergency evacuation fire drills are held once each quarter. The school administrator and the Fire Marshal set the regulations. Emergency procedures are taught the first week of school by the teachers. Signs are posted regarding exit routes.

We ask your cooperation in carrying out the following plans in the event of an emergency or disaster (local, regional or national) or severe weather alert:

- In the event of an alert, keep your child at home.
- In the event that school is cancelled, announcements will be made over the radio, television, and we send Remind messages.
- In addition, announcements will be placed on the school's Facebook page and a notice will be posted on the school doors. A recorded announcement will be left on the school phone.
- If a warning is received during the school day and there is time, every effort will be made to contact parents to come pick up their students. Every possible precaution will be taken to keep students safe at school until their parent/guardian is able to pick them up.
- In the event of an emergency evacuation, rehearsed evacuation procedures will be implemented, including moving the students to East Middle School, the pre-determined evacuation site.
- An Emergency Evacuation Drill to move the children is always conducted sometime during the first month of the school year.

SCHOOL LOCKDOWN

In cooperation with the Police Department and our local Police Resource Officer, we have developed a School Lockdown Procedure for the safety of our children, faculty, and staff. Because of the importance of this Policy and Procedure, we have Lockdown drills several times each school year.

The objectives and priorities of the process are:

Speed – It is imperative that the students and staff are mobilized immediately for safety.

Security – The building must be physically secured with all outside doors to the church and school locked and each classroom locked from the inside.

Law Enforcement Presence – Once all is secure and safe inside the building, the teachers and students know that only a police officer or staff member with a key will come and unlock the classroom door.

The Lockdown process will be initiated by a Phone Call from the Police Department Dispatch. (It may also be initiated here by us if we see anything that would dictate this action. We would then call 911 and notify the Police Department.)

Please note: For safety and security reasons there will be no cell phone use. We will not call, text, or otherwise notify parents until it is safe to do so. Do not call teachers, staff members, or students. We have a responsibility to keep your child safe. Once the Proceed Plan is in place or we are all clear parents will be notified via one or more forms of communication such as – phone call, Remind, automated email or note home.

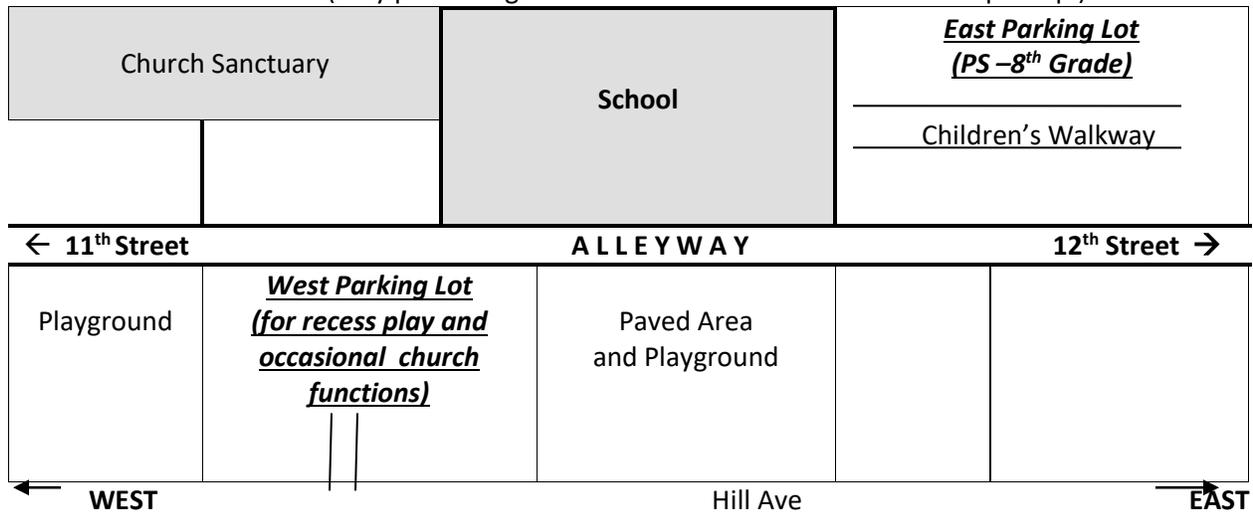

SPECIAL CONSIDERATIONS FOR PARENTS

- If the “Lockdown” has occurred near the end of the day, we will notify you of the process of picking up your child. This may take some time as each student and parent/guardian will be verified individually and the student released.
- At some point the Proceed Plan might involve having the students go home during the school day. If that is the case, you will be notified to come to the school and pick up your child(ren). This will be very controlled, and each child will be released to the authorized parent or guardian, as each is verified by the staff.
... since there will be no opening of the doors once the school has been locked down ...
- If the students are off campus (i.e. at the track across the street, at the park, on a field trip, etc.) you will be notified as to what action to take.

Note: As part of the school site Lockdown, the police will know where any students are off site for an activity, and they will deal with them directly.

TRANSPORTATION AND TRAFFIC SAFETY

Teller Ave (May park along school curb for alternative afterschool pick up.)

We have rethought drop off and pick up of our students. Keeping everyone safe is of the utmost importance. Please help us and follow the new guidelines listed.

PARKING LOT SAFETY - For the safety of all children, please follow these NEW and simple guidelines.

- **All school children are to enter the building using the east doors.** Children will not be allowed in the building prior to 7:40 am. When the doors are opened, children are expected to enter and go to their respective classrooms. If late, please use the west entrance doors.
- **All school children will exit school at end of day to the east parking lot and wait behind the railing until cars are parked.** Crossing guards will help children get safely to cars. Teachers will be stationed on both ends of the east parking lot for safety.
- **If you find the east parking lot to be too congested, we ask that you park along Teller Ave. so students do not cross the alley that we do not own and do not control.** It is safer to walk across the grass to the parked car on Teller. A teacher will be watching for parents and waiting with the children until picked up or 3:20.
- **Kindergarten** All Kindergarten parents MUST walk your child from the parked car to the building and from the building back to the car. It will be difficult for a driver to see a small child walking alone.
- **Alleyway NOT for Drop-off or Pickup:** It appears to be a quiet, quick, and easy way to get in and out. It is a dangerous and unprotected area and is used by delivery vehicles. **Please also note:** This is a public alleyway owned by the city and not by Messiah. There is some drive-through traffic by people who have no understanding of, or commitment to the school and our children.

RULES FOR STUDENTS

PERSONAL PROPERTY

Please label your children’s clothing (jackets, water bottles, etc.) and other belongings, preferably with INITIALS only. This is especially important in the lower grades but is also a concern in the upper grades.

It's amazing how many clothes are lost during the school year, returned to the office, but are never claimed.

LOST AND FOUND

Please check the Lost and Found when you notice items missing. *Each summer unclaimed items are taken to Good Will for donation.*

VISITATION

For the safety and uninterrupted education of our students, we do not allow former students or other students NOT enrolled at Messiah to visit during the school day. It is a distraction and a disruption of the normal day's routine. (This is potentially problematic when other schools have a day off and these students want to spend the day here, or part of it.) Arrangements may be made for short visits under special circumstances, but only with the advance approval of the teacher AND the principal.

DAMAGED OR LOST SCHOOL PROPERTY

Any pupil who damages or loses any item of school property (furniture, equipment, books, etc.) will be held accountable for the expense to have such item repaired or replaced. Parents will be notified when damage is done, and a bill submitted to cover repair or replacement costs.

SCHOOL BEHAVIOR

Conduct Students are to be cooperative with all the teachers, aides, staff members, and classroom volunteers, and to conduct themselves in a polite and orderly manner. They are NOT to disturb others, but to be respectful of other's learning at all times.

Running Children are NOT to run in the classrooms or halls, or play around in the restrooms.

Party Invitations and Exclusion Party invitations may be distributed at school as long as an invitation is brought for each child in the room.

SCHOOL GROUNDS BEHAVIOR

Leaving School Grounds - Students are not to leave the school grounds during the school day without written permission from their parents and/or permission of the teacher.

Retrieving Playground Equipment (Balls, Frisbees, etc.) - Occasionally, playground or activity balls inadvertently go over the fence into the street at recess or game time. Students must ask the supervising teacher for permission to retrieve the ball. Only Third through Eighth (3rd – 8th) graders will be allowed to do so. This is a safety issue.

Bringing Equipment from Home - Pupils may not bring balls or other PE equipment from home unless permitted to do so by the teacher.

Toys and games – Students are not to bring toys and games to school as they are a distraction to learning unless permitted to do so for Show and Tell by the teacher.

Wheels and Bicycles - Skate boards, roller blades, or heeies (roller shoes) are NOT allowed. Bikes are NOT to be ridden during school hours, or around children on the playground. Students should lock them to the bicycle rack when they arrive in the morning and pick them up when they depart in the afternoon.

Recess Behavior Because of possible injury, throwing snowballs or stones is strictly forbidden. Also, wrestling, tackling, pushing, shoving, or some form of those is not permitted on school grounds.
